Dear

STAT

Pursuant to your request via letter of 16 October 1986, I have attached the legislative proposals the Department of the Army would like to have included in the DRAFT FY 88 Intelligence Authorization Bill for circulation within the Intelligence Community.

In addition to the "Secure Promotions for Certain Military Intelligence Officers" and the "Intelligence Identities Protection Act Amendment" submitted in the Legislative Program as items #100/1-34 and #100/1-35 respectively, two other proposals are included:

- a proposal amending Paragraph 1590(e)(1) of Chapter 81 of title 10, United States Code (enacted in Section 504 of the Intelligence Authorization Act of 1987, P.L. 99-569, 27 October 1986) to make permanent the Special termination authority of the Secretary of Defense granted therein; and,

- a proposal amending Subsection 402(c) of the Intelligence Authorization Act for Fiscal Year 1984 (Public Law 98-215), as added in Section 503 of the Intelligence Authorization Act for Fiscal Year 1987, Public Law 99-569, 27 October 1986, to grant the DCI permanent authority to make and to allow military personnel assigned to intelligence duties to compete for and accept awards under 5 U.S.C. 4503(2).

-2-

Even though not specially included in the attached, the Department of the Army--on behalf of the Department of Defense--requests that the DRAFT FY 88 Intelligence Authorization Bill also include the same "Proprietaries" legislative proposal that was submitted to the Hill in the FY 87 Intelligence Authorization Bill and that the DCI has already approved for inclusion in the FY 88 Legislative Program as item #100/1-4, CIA and Intelligence Community Proposed Legislative Program for the First Session of the 100th Congress, 8 August 1986.

I look forward to working with you and the other Legislation Division attorneys on the FY 88 Intelligence Authorization Bill throughout the First Session of the 100th Congress. Should you have any questions concerning the attached proposals, please do not hesitate to contact me directly.

Sincerely,

A handwritten signature in black ink, reading "Robert J. Winchester". The signature is fluid and cursive, with a long horizontal line extending to the right.
